

# Technology

Hello everyone.

My self Shivani, Today I am discussing about my technology.

**Que.1** Discuss plans for upgrading your technology skills.

**Ans.** Currently I am learning digital marketing, in this technology I never expect to end learning on digital way and upgrading my skill by SEO, Social Media Marketing And google ads.

**Que.2** Mention any relevant courses, certifications, or resources you are pursuing.

**Ans.** In my technology I use different tools for website building like wix.com, WordPress, Weebly and keywords generator like SEMrush, SEOptimer and Backlinks generator like SmallSEOtool.com, Duplichecker.com etc. This is free tools we can easily use this.

**Que.3** Share your approach to continuous learning and professional development.

**Ans.** In my way to thinking in future digital marketing scope is on high and now in every business type they use some of digital way to advertising their products and service, so in my point of view the digital marketing is required in every field after some time.

So, My approach to continuous learning and developing my self in Digital Marketing.
